

Changes and improvements

I have an update about our community transport service for the Central Coast: Hornsby Ku-ring-gai Community Transport has been delivering services for Coast residents for 12 months and, pleasingly, our capacity, team and fleet continues growing. If you, your family or friends need transport we can help.

Names needed: we have three brand-new buses coming, one with a wheelchair hoist. And as these vehicles are for you, we'd like you to name them! Email your ideas to:

info@communitytransport.org.au or call us.

Community transport operates under the **new Aged Care Act** so there will be changes as of November 1st. We will soon send you a Service Agreement, detailing your rights and obligations

when being serviced by us, as well as our promise to you. The Act requires you sign and return it.

There are also new and strengthened rules for whistle blowers and complaints management.

Got feedback on our services? Please speak with us or, if you would rather, do email me:

gm@communitytransport.org.au

As we expand and enhance our service we are reliant on knowing what you need.
